

HEART PARTNERSHIP AGREEMENT

BETWEEN

HEART -Waltham Forest Business Centre, Unit 11, 5 Blackhorse Lane, London E17 6DS
&

Hereinafter together called the “Partnership”

Whereas the background of HEART is understood by the Partners as follows:

AIM

To begin a paradigm shift - uniting hearts and minds to empower regeneration and social growth in Africa.

OBJECTIVES

1. To act as a ‘think-tank’ to *stimulate ‘out of the box’* critical and cross-disciplinary thinking.
2. To establish the *collaborative partnership working* needed to achieve the MDGs within the African continent.
3. To *build capacity* within African countries to drive and manage regeneration.
4. To provide support services to assist in monitoring and *sustaining effective change initiatives*, within and outside of Africa.
5. To create a long-term ‘*networking framework*’ for sustained development.
6. To urge African governments to agree and actively support enabling policies to create a framework for long-term, sustained development

NATURE OF PARTNERSHIP–

The body of the Partnership will act as a prop on the strength of which HEART will be able to grow and develop in all areas. HEART is keen to have strong representation from all the fields described below. If and when there is a requirement for resources or support from any of these areas, HEART will call on the relevant Partner for their input, informing them of the detailed requirements. No Partner is under compulsion to come forward with support on request, but a Partner’s status may be reviewed should there be lack of positive response on a consistent basis. HEART will make the final decision as to whether to accept an offer from a Partner.

BENEFIT OF PARTNERSHIP-

As a Partner of HEART, you will be able to:

- Have a direct say in the allocation of resources, having direct access to the management board
- Have a link created from HEART’s website to your own
- Benefit from the synergy of co-operation, meeting with new like-minded contacts and able to create trusting and sustainable business relationships

Please fill one or more of the following boxes to describe the nature of your proposed Partnership contribution:

Financial support towards the HEART’s projects as a whole or finance for specific objectives within a project

--

Aid with fundraising on behalf of HEART and its mission

Aid Provision of training and expertise in specific areas of HEART's projects

Aid Provision/sponsorship of facilities for HEART to operate effectively

Introduction of future business leaders to HEART's workshops and participation in HEART's present and follows up activities

The purpose of the above information is for HEART to be able to understand the nature of any Partnership contribution. This will enable HEART to file such information effectively in order to make contact with relevant Partners should specific needs arise during the course of HEART's development in any of the above listed categories.

REWARD –

The Partner hereby acknowledges that they can make no financial or attempt of financial gain through activities with HEART, unless specifically agreed with HEART. The Partner further acknowledges that HEART may mention the Partner's involvement as part of their promotion, unless the Partner issues a written request to HEART to the contrary

CODE OF ETHICS –

The Partner hereby agrees to accept and sign the HEART Charter (attached) to ensure that all work is conducted with mutual respect among all Partners of HEART

ACCESSIBILITY –

It is hereby agreed that despite busy schedules within their respected industry, that all Partners remain accessible via one preferred modus of contact in order to remain up-to-date on all matters and activities relating to HEART.
